

Project SURE5.0
Organisation
Rôle Partner

Task 4.1 List EU business support networks, centers and initiatives

DEADLINE FOR COMPLETION: 15th September 2022

The main objective of this document is to connect the project with the industry 5.0 ecosystem at EU and local level to identify gaps and seek for opportunities for our project.

For that reason, **each partner will provide a list of at least 10 EU business support networks, centers and/or initiatives (projects and programmes) from their covered area.**

Partners should be able to complete this document with the information find in the websites of the EU business support networks, centers and/or initiatives (projects and programmes). The basic information to be collected is:

- Initiative name
- Web
- Email
- Phone
- Country
- Region
- City
- Address
- Ecosystem
- Industry 5.0
- Provided services
- Area covered
- Cost service
- Gaps
- Opportunities

It may include:

- EIT communities,
- European industry clusters registered under the European Cluster Collaboration Platform
- European Enterprise Europe Network,
- Centres for Advanced Technologies for Industry
- European Investment Fund,
- Open Innovation Test beds,
- European Digital Innovation Hubs,
- EU funded projects that are delivering business support services,
- Start-up Europe,
- European Innovation Council
